

Operation Encompass

Forest Way is now working in partnership with Operation Encompass. All Leicestershire Schools are now part of this safeguarding initiative, which aims to improve outcomes for children and families affected by domestic violence and abuse.

This scheme has been designed to provide early reporting to schools of any domestic abuse incidents that might have an impact on a child that attends their school. The approach, known as Operation Encompass is being rolled out across the UK. In Leicestershire the scheme is run in partnership between Leicestershire County Council and Leicestershire Police.

If you would like to speak to someone in confidence about domestic abuse or sexual violence, call the **United Against Violence and Abuse (UAVA) helpline on 0800 80 200 28**. The helpline is open 8am to 8pm Monday to Saturday. You can also visit www.uava.org.uk
